

# LYN BUTCHART WORKSHOPS

## Workshop Costs and Conditions

Lyn Butchart is available for art workshops, corporate art experiences and art demonstrations Australia-wide. The following document outlines the general costs and conditions for workshop bookings. Rates and travel costs are negotiable.

### **Workshop Fees:**

\$400 per day

Plus travel costs, travel time, accommodation, meals & allowance.

All workshop fees are dependant on number of days and location of workshop.

Please contact Lyn about the fees of the Corporate Art Experience

### **Travel Costs:**

60c per kilometre (negotiable) if travelling by vehicle.

Interconnecting workshops fee can be divided to cut travel cost.

Due to the high cost of petrol, it may be more economical to fly instead of travel by vehicle, depending on amount of equipment required to transport.

If travelling by aeroplane, it is requested that the cost of the taxi fare to and from Sydney airport be covered by the workshop facilitator, approx. \$55 each way.

### **Accommodation:**

Motel accommodation costs to be covered by the workshop facilitator.

In most cases Lyn Butchart is happy to be billeted for the duration of the

workshop. In this case, it is asked that the billeting person / family is someone you would be happy to stay with on a busy trip! If the person billeting is attending the class they should be reimbursed for accommodation, meals and possibly a free / discounted workshop fee.

### **Bookings & Cancellations:**

A non-refundable booking fee of \$150 applies for all workshops booked, to be paid in advance. A non-refundable deposit from course participants can be implemented to cover this fee.

### **Student Requirements List:**

.. Students are to be provided with a Requirements List for each workshop conducted.

.. Student Requirement Lists are constantly being altered to keep them as close as possible to what is absolutely essential, and to minimise additional cost to students. This depends on how many days involved, naturally a 1 or 2 day workshop will require less material.

.. It is essential students bring photographic references or reference books eg flora, fauna, ocean, landscapes etc.

.. Most important of all is an open mind, a sense of fun and adventure and a willingness to extend skills!!

### **Class Numbers & Class Times:**

.. Each workshop is limited to maximum 18 students.

.. Class times can be scheduled to fit each facilitators programme.

.. A map of class location and parking facilities would be appreciated.

### **Telephone & Email Contact:**

.. Lyn Butchart travels extensively and may be unreachable by phone or email for lengthy periods of time.

.. In this case, please contact Teresa Charchalis at artsConnect on 02 9976 5226 or email [teresa@artsconnect.com.au](mailto:teresa@artsconnect.com.au).

**Note : The above guidelines may vary for each workshop. All terms will be confirmed on booking.**
